Table 2. Degan Kamamaito

Degan Kamamaito, the first president of the Micronesian Congress, was born in Guam in 1945. He attended the University of Guam and later served as the Governor of Guam from 1985 to 1993. Kamamaito was a prominent figure in Micronesian politics and was known for his efforts to promote the Micronesian language and culture. He died in 2000.

Kamamaito's contributions to Micronesian politics and culture are widely recognized. He played a significant role in the development of the Micronesian Congress, which was established in 1974 to represent the interests of the Micronesian people. Kamamaito was also a strong advocate for the development of Micronesian languages and cultures, and he worked to promote the use of these languages in education and other public affairs.

Kamamaito's legacy continues to influence Micronesian politics and culture. His contributions to the development of the Micronesian Congress and his efforts to promote the Micronesian language and culture have had a lasting impact on the region. His work continues to inspire future leaders in Micronesian politics and culture.
